1228 WOOD AVENUE
COLORADO SPRINGS

My dear Larra,

You will perceive that in the accompanying letter to you I have not specified what part of the Santa Fe I am to have my collection of. Simply because I do not know the correct wording.

Would you kindly add it?

With love,
F. J.

with Mrs. Bentley, who
will also be at the
house. Seen is the
man's name.

He does not live at
the house, is on the
place during the day.

Please let Mrs. Hite
know ahead, if possible.
She will bring someone
to handle the blankets.

With many thanks for
your very kind attention
to this matter,

always yours aff.

Frances Stewart.
