Miss Laura Gilpin
Colorado Springs, Colo.

Dear Miss Gilpin:

I have just been informed through Dr. Nusbaum that it may be possible for us to have the pleasure of exhibiting your superb group of forty-eight photographic studies of Mayan ruins in Yucatan.

It may not be possible for us to have them at our opening, because the building will not be sufficiently complete, but could we have them soon afterwards and what arrangement could we make for them? We would be glad to pay the transportation charges. About how much space will they require?

We hope very much you may be up to see our new building shortly and will be delighted to see your pictures.

Cordially yours,

Linda H. Potworthy
Librarian
