Dear Miss Gilpin:

Thank you for your letter of May 3rd, to which you attached your statement which I am forwarding on to the Curtis Factory.

The Factory may kick a bit on the two dollar charge for the eight by ten as they normally secure these photographs for fifty cents each but since yours is so artistic, I feel that they will honor your invoice.

It will be impossible for me to keep the enlargement at ten dollars, as much as I would like to do so as it certainly is a gorgeous picture.

Thanking you very much for your courtesies, I am

Very truly yours,

CURTIS LIGHTING, INC.
