

My dear Laura —

We are delighted
that you are going to name
a chair for Emma's Felicia,
and indeed we are glad to
take your half of the subscription
in photographs of the performance.

The whole plan seems to
have caught the imagination
of the country, and the first
night is already entirely sold
out — you were lucky to engage
your tickets in advance! —

But will you tell other people
that we plan to make Thursday
night and the closing Saturday
equally brilliant? — and
urge them to come —

Today I have the long -
expected letter from Mary
Bell, who was delighted with
the picture - I was beginning
to be afraid it had gotten
lost in the mails -

We are moving into the
big new galleries in the
City Hall - most exciting,
I assure you, to us
who have worked so long,
for it's a big step forward -

With most cordial regards

Sincerely Anne Evans

If Mr. Lippin will send his
cheque I will see that Karl
Becker carries your chair to
me. - Did Cor. Lippin come
in 1860? - A.S.
