

THE FOUNTAIN VALLEY SCHOOL
OF COLORADO
COLORADO SPRINGS, COLORADO
FRANCIS MITCHELL FROELICHER, HEADMASTER

April 26, 1932

Dear Miss Gilpin:

Mr. Brown tells me that you might write an article about your Yucatan trip for the magazine Fortune as well as for the Geographic. In case you write or use your pictures for Fortune, I am opportunist enough to want you to include something about the School, including a picture of the boys. As you probably know, Kenneth MacLeish's father is on the editorial staff and I believe might be of assistance in the matter of your pictures, in case you carry through this plan.

I have nothing but pleasant reports of the journey this year and I am so glad that you went with the party. Please be sure to let me know when your pictures are ready to be seen.

With kindest regards, I am

Sincerely yours,

Francis M. Froelicher
