Miss Sarah Adams,
Parksley, Virginia.

Dear Miss Adams:-

Your letter addressed to the Gilpin Publishing Co. has followed me on quite a trip and has been returned to me finally after I had returned home.

I have no free material to send you. Several years ago, I published a booklet on Mesa Verde which sells at \$1.00. I do not make colored prints and the originals are all 8 x 10 selling at from \$5.00 to \$10.00 each.

If you care to have me send you a copy of my Mesa Verde Book, I will be glad to do so upon receipt of \$1.00. Hoping that this may be of some use to you

I am very truly yours,
