Dear Sirs:-

Enclosed please find my check for \$14.82 which completes the payments on the 5 x 7 Universal View Camera purchased from your Kansas City store in March of this year. On my last statement from you the first payment of \$22.62 was not credited. I believe that Mr. Wheat has called your attention to this omission.

A check for the balance of my account will follow in a few days. Collections have been very slow this month and I am sorry that I have not been able to pay the April account by now, but it will follow in a few days.

Very truly yours,
