Dear Sirs:-

Will you please send me at once one half gross 8x10 smooth white Tuma-Gas paper? Will you also send me your instructions for obtaining a platinum black tone. As you no longer have the Tuma-toner listed and as your folder calls for the use of it to obtain the black tones, perhaps you can send me the formula for it. In the event that you still have some toner on hand will you add to this order one bottle. Please send this order C.O.D. and add to it the small amount of postage that I owe you on the last order. I like your paper very much indeed but am particularly desirous of obtaining pure black tones.

Very truly yours,
