65 East 56th St.,
New York City.

Dear Miss Byerely:-

Mr. Ira W. Martin of the Pictorial Photographers of America has written me that a print of mine "Polo" was sold during the exhibition at the Art Center. He requested me to send a duplicate print to you for delivery. This has gone forward to you to-day. I am sorry that there has been such a long time in sending this to you, but I was out of town, returning only two days ago which is the reason for the delay.

Trusting that the print reaches you in perfect condition, I am

Very truly yours,
