My dear Delos:-

For nearly a month this check has been in my desk and I was on the go at such a rate that I did not get a letter off to you. Your letter enclosing the check for the glossy prints crossed mine in which I asked you to take off 25% and I guess you have been wondering what I meant.

So please put this to the credit of Camille and call it tickets I would have bought had I been in New York.

I hope that all goes well with you and yours and that the New Year will bring you much happiness and prosperity.

Sincerely yours,
