Mr. A. J. Connell,
Los Alamos Ranch School,
Oatowi, New Mexico.

Dear Mr. Connell:-

I was sorry indeed that I was unable to reach you by phone the early part of this week when I was in Santa Fe. My arrival there was delayed owing to the fact that I had a bad "flu" cold over at Red Rock and the only thing to do was to stay there until I was able to travel. This delay made it necessary to cut my Santa Fe visit short.

Here is an estimate on a reprint of the school catalogue. Keeping the same size, and general scheme with what ever changes in copy you wish to make.

3000 copies 36 pages & cover 2 colors	\$395.00
Additional pages in four	36.90
Additional halftones approx each	5.00

I will be glad to undertake this at any time now, and the sooner the better if you will be needing them by the first of the year.

Hoping that you are enjoying a pleasant holliday, I am

Very truly yours,
