Dear Anne Evans:-

June 10, 1932.

Dear Anne Evans:-
Here

Here is the fifty dollars for my cousin Donald Gilpin's share in the chair to be placed in memory of William Gilpin in the Central City Opera House. My share in the form of pictures will come later. I am so happy that this is accomplished.

My work up there this week has been postponed so that it will be next week before I come. Am so anxious to see the new quarters in the City Hall

With best wishes,

Most sincerely yours,
