Denver, Colorado.

Dear Miss Fisher:-

I have just returned from
a trip to Arizona and New Mexico, and have
found your letter waiting for me.

I have not yet made any photographs of the
Donald Gilpin house, but am to make a few
interiors this coming week. As soon as
I have some proofs I will send them up.

The exterior had best be left until spring
and the green things are out.

With best wishes to you all, I am

Very sincerely yours,
