

May 26, 1932.

Mr. L.S.Hitchcock,
Los Alamos Ranch School,
Otowí, New Mexico.

Dear Mr. Hitchcock:-

I have your letter with instructions for the 1932 detail folder with the changes in copy for the new folder. These are in the printer's hands and a proof will be ready in a day or two. I want to call your attention to the fact that you said to note the changes on the cover and on the faculty page, but there were no changes made. The cover is doubtless only the change in date, but the faculty page we will need immediately.

Prices as you request are as follows:-

100	\$18.75
200	20.00
500	22.50

I will mail you a proof just as soon as it is ready.

Very truly yours.
