Mr. Jos. H. Jackson,
Mesa Verde Library Fund,
Mesa Verde National Park,
Colo.

Dear Mr. Jackson:-

Every week for the past month I have been expecting to be off on a trip that would bring me to the Park and one thing after another has prevented. I am still expecting to get down before winter sets in in earnest.

In Sept. I received your statement for books sold during August. The slip stated as follows:-

"Sales for August 1932"

11 books @ \$1.00	\$11.00
1 print @ 5.00	5.00
	<u>\$16.00</u>
35%	4.00
Check	<u>\$12.00</u>

Your check No 77 is for \$4.50 instead of \$12.00 I do not know on which side the error is, but I am sure that you can trace it. I am holding the check and will return it or cash it which ever you advise.

Very truly yours,
