Mr. Henry R. Luce,
Fortune,
135 East 42nd St.,
New York City.

Dear Mr. Luce:-

Before I submit my photographs of the Sisal Hemp industry in Yucatan to the International Harvester Co., I am going to send them back to you for your own inspection of them, as you were absent from New York at the time I first sent them on to your office. I enclose with them an article I wrote to accompany them, and I shall be glad to receive your opinion of the series.

Sincerely yours,
