Dear Mr. Martin:-

Sorry to be so late in getting these prints off to you. Waited till after the Fourth to see if anything else would come in, and then I had to go out of town on a busy and interesting job, photographing the theatrical production of Camille at Central City Colo. Robert Edmond Jones and Lillian Gish Etc. Having a grand time over it.

Only two entries came in so I have not bothered to get a jury. Picked the best one of each and added one of my own.

Enclosed find entry fees and list.

Yours in haste,
