Mr. Charles Robinson,
The Platinotype Co.
London, England.

Dear Mr. Robinson:-

Mr. Paul Strand has informed me that you have made for him some double coated platinum paper on the Japine stock such as I have been ordering from you for some time. Mr. Strand did not give me the cost of this extra coating. Will you please make me one roll. I enclose a postal order for five guineas. If this is not sufficient will you bill me for the balance, or if it is too much will you credit my account with you.

Thanking you for past favors I am,
Very truly yours,
