Miss A.P. Tainter,
Wm. A. French & Co.,
Minneapolis, Minn.

Dear Miss Tainter:-

Your letter came while I was on a most unexpected trip to Yucatan, to photograph the old Mayan Ruins. I have only just returned to-day and have found your letter which was not forwarded owing to the distance and mail difficulties.

I have talked to Mrs. Chapman to-day and she says that I can go ahead at any time with the photographs. I will make the pictures you requested in your former letter and send you proofs of them at an early date. I trust that my long delay has not inconvenienced you.

Very truly yours,
