Dear Mr. Willard:-

A package of prints is being shipped to you in to-morrow's mail and I trust that it will reach you safely.

I have made you a set of the four prints on a mat paper, mounted that you may keep in addition to the four glossy prints for reproduction. If you do not want to keep these just return them. I hope that you will find them to your satisfaction.

I still live over all of our trip with the greatest of pleasure. I am working on my negatives of Chichen and I hope to have an interesting set ready for exhibition before so very long. I hope that I can show them to you at some time.

With best wishes to you, I am

Very truly yours,
