

SUNNY SLOPE
SALISBURY
CONNECTICUT

June 22nd.

Dear Miss Gilpin.

Delving down into a heap
of letters on the desk, I
find yours at the bottom.
(May 4th!) and I am so
sorry it was not answered,
or the bill paid.

I thank you so much for
the prints. I have shown
them to so many people

to try to have them know
something of what I feel
about Colorado.

The picture of Pike's Peak
is beautiful. But I saw it
as a snow mountain, which
was why I chose the other.

Thank you so much for
your nice friendly letter,
which I was glad to re-read,
and am only sorry it was
not answered. I hope you will
be there when I come back.

Very sincerely. Dorothy Haven.
