

25 EAST 73rd ST.
NEW YORK CITY -

Dear Miss Gilpin: -

I received the pictures the
day we opened in New York and
meant to acknowledge them
before this. I shall send you
a check for them very soon and
do hope the delay will be too
inconvenient for you. I seem
to be rather short of cash at the
moment -

The production - beautiful as
it was - didn't seem to drag
them in, and so we closed - but
then of course you've heard -

My kindest regards - Sincerely,
Lewis Martin

Our first snow today - weather is here.
