Dear Laura:

The pictures arrived just before Christmas and I think they are great. It was very kind of you indeed to make us such an acceptable Christmas present of an extra one. The one you chose for this gracious thought happens to be one of the ones I would have chosen had we ordered any others.

We are leaving today for Washington where we are to be the guests of Mr. Frederick Delano. I will take up with him the question of whether anyone there wishes a set of Chichen Itzá photographs and if so will let you know.

Again thanking you for this whole picture business, and especially your Christmas present I close with most cordial regards in which Frances joins me, and best wishes for a prosperous New Year.

Faithfully yours,

Sylvanus G. Morley

P. S. I almost forgot to add that I am enclosing my check for \$60.00.
