Dear Madam:

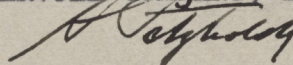

We are in receipt of your favor of May 17th and as per your request we are sending you under separate cover some samples, and enclosed herewith you will find our little pamphlet giving you the most important information regarding Tuma-Gas paper. This pamphlet also contains the price list indicating the different surfaces and sizes we usually carry in stock.

You mention that you are particularly interested in Smooth White Lustre, which we do not carry. For awhile we kept Fine Rough Cream Lustre and although the paper was a wonderful product we discontinued same again because the demand was too low and slow.

Trusting to hear from you again and thanking you,
we are

Yours very truly,
