Dear Miss Gilpin:

Mrs. Reed and I are greatly pleased with the two identical photographs that you have sent us. And we are hoping soon to receive all the proofs of the plates which you took so that we can select which ones we want and put in our order accordingly.

Please have any future shipments packed in much more durable cardboard than the package which we have received - it was very badly bent in transit and only by luck were the pictures not entirely ruined. The creases in the photographs were slight, but they should not be there at all.

Hoping that many of the other pictures are as fine as the ones which we already have received, I am

Yours very truly,

A handwritten signature in cursive script that reads "Joseph Verner Reed". The signature is written in dark ink and is positioned below the typed name.
