Colorado Springs,
Colorado, U.S.A.

Dear Madam,

We are obliged by your cable reading "Duplicate last order rush, money order in mail to-day;" this reached us a few minutes before the departing mail closed and we were able to get this parcel away at once, but had to send a joined roll; we trust you will excuse this, but it is the best we could do in the very limited time available.

With compliments,

Yours faithfully,

THE PLATINOTYPE CO.,

Chas. Robinson
