Miss Laura Gilpin,
317 Cheyenne Road,
Colorado Springs, Colorado

Dear Miss Gilpin:

I should like to be of help to you in connection with the hemp pictures, but I am afraid I cannot, as we do not handle the International Harvester advertising or any advertising in similar fields.

I am inclined to think that the best thing to do would be to send the pictures direct to International Harvester.

With all good wishes, I am,

Sincerely yours,

Raymond Rubicam
