Dear Madam:-

Dr. J. L. Nusbaum wrote us on February 13th that he had arranged with you to send us photographs of the museum cases at the Laboratory of Anthropology.

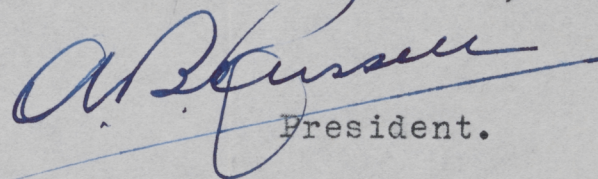

We are very anxious to get these as we are holding up the printing of our new catalogue, of which we are greatly in need, in order to include them.

If you have not already sent them we would greatly appreciate your seeing that they are forwarded at the earliest possible moment. We shall probably need additional prints later.

Very truly yours,

A. N. RUSSELL & SONS COMPANY,

Per

President.
