My dear Miss Gilpin:-

I am sending you under another enclosure a copy of our 1932 catalogue, and as the frontispiece, you will find your photograph of the cases at the Laboratory of Anthropology. Every one who sees this exclaims upon the beauty of the picture.

I think you will also be interested in the other illustrations of installations, although few of these were taken with the idea of securing a beautiful vista as well as a good picture of the cases.

It is unfortunate that we were not able to include in the catalogue pictures of some of our recent outstanding installations, such as the Folger Shakespeare Library at Washington, the Buffalo Museum of Science, and others.

Very truly yours,

A. N. RUSSELL & SONS COMPANY,

A. N. Russell
President.
