

Friday - Dec. 9.

Miss Laura Gilpin
Colorado Springs.

My dear Miss Gilpin -

I just learned this
afternoon that I shall
have to work Sunday
morning - so am afraid
I won't be able to have
the pictures taken then
unless you could take
me about three or four
in the afternoon - at which

time I'd be getting
down there if I drove
down after I finished
my work.

However I don't want
to inconvenience you
so perhaps I'd better
postpone it till the
next Sunday if agree-
able to you. Should it
then be possible to get the
pictures before Christmas?

Very truly yours
Justine Sarkerian
