

153 Durgill place

Englewood
N.J.

Wellesley, Massachusetts
October 27

My dear Miss Gilpin,

I tried
to phone you before I left Colo-
rado Springs, but was unable
to get you. She has did not
seem to like the idea of the
communal photograph, and
I cannot afford separate ones
of each of them. So will have
to let it go, I guess. I'm sorry.
Perhaps later something can
be done.

With cordial greetings
Margaret E. Schevill
