Miss Laura Gilpin
317 Cheyenne Road
Colorado Springs, Colorado

Dear Miss Gilpin:

Replying to your letter of June 11th, we received the package of photographs but evidently there is some misunderstanding.

We ordered in our letter of May 10th, six prints with glossy finish as it is necessary to have this finish in order to have the photographs reproduced for publishing which is our purpose for which we ordered them and for which according to your letter of February 29th we were to pay \$5.00 each or \$30.00 for the six ordered.

In your letter of May 14th you expressed a willingness to do the photographs over but we did not understand that this was to be an additional expense to us. The composition of the morning room is no better if as good as the first and the photograph of Mrs. Chapman's room of the window with the three piece chaise lined up stiffly is also most unsatisfactory.

We are returning to you eight of the originals and the two glossy prints of the exterior and are enclosing a check for \$30.00 which is our understanding of the transaction.

Yours very truly,

A. O. Tamber
