Colorado Springs, Colo.

Dear Miss Gilpin:

By yesterday's parcel post we sent you the dozen 11x14 Brovira Matte Buff Soft and one of the two dozen Medium. Will get the other dozen Medium to you as quickly as possible.

And as our Brovira Rough in the 11x14 size has just come in from the factory, we are sending you by today's mail the dozen 11x14 Rough White Soft and Medium. We are unable to include the $\frac{1}{2}$ gross 5x7 Matte White Medium and the 2 dozen 5x7 Matte White Soft as we do not have same in stock. Will get both these items to you as quickly as possible.

Of course upon receipt of the Brovira you are returning, credit will be issued to your account. Sorry you weren't altogether satisfied with it, and hope the paper going forward meets with your entire approval.

With reference to your statement - our records show that on 4-28 we forwarded to the factory money order in the amount of \$22.62 to apply on the invoice #3303 covering the Camera and Holders. However, in order to get it all straight, we have asked the factory to send us an itemized statement of your account. Upon receipt we will check it with our records and forward to you.

With thanks for having written, we are with thanks also for your many favors

Very truly yours,
AGFA ANSCO CORPORATION
