Dear Miss Gilpin:

Thanks very much for your letter of
February 25th.

I am sorry that the pictures were not
so good but Mrs. Hard is a writer and has
not much experience in choosing photographs
for a magazine. I shall be very glad indeed
to apply to you if we should want photographs
in your neighborhood in the future.

I think, however, that the most useful
thing for us would be good snapshots of well-
known personalities, especially if they are
young and attractive people. These snapshots,
however, are not much use to us unless the
people themselves are recognizable and not
simply a part of the scenery.

From Mrs. Hard I understand that we are
to pay \$10. for the photograph of the polo
game but that the other photograph which we
used, a group of people on ponies, is to be
sent back and not paid for.

Believe me,

Yours very truly,

H. J. Whigham
