Dear Laura Gilpin,

Will you send me Two copies of the full length portrait of me and One of the close-up, also One copy of the group which you took of the company in Mr and Mrs Chappell's garden.

I am enclosing a check for \$14.50 as I understand you charge \$3.50 a copy and 50 cents for the postage. If I owe you anything more please let me know.

It was sad that New York did not care to have us longer than two weeks. However, short as the season was, we were very pleased to be all together once more. How lovely it will be if we can only be together once more out in your heavenly Colorado.

With every good wish and thanks and the compliments of the coming season,

Yours very sincerely,

Frederic Werlock
