Dear Miss Gilpin:

Your letter of May 10th has been received. At your suggestion we have postponed the date of your exhibition from September to the month of January, 1934. I hope you will be able to visit the Museum during the time of your exhibit.

We have plenty of room and would be entirely willing to leave the number of photographs to you. I would suggest fifty to one hundred.

With pleasant recollections of my little visit to your studio, I am

Sincerely yours,

Clyde Fisher
