Dear Miss Gilpin:

Mr. George Henry High, Chairman of A Century of Progress Photographic Salon, has notified us of your generous donation of your print, "Sand Dunes", to the Museum of Science and Industry. We wish to thank you for your cooperation in this matter and to assure you that we are happy to make your excellent photograph a part of our permanent collection.

We feel that we owe a great debt to the leaders of the science and art of photography for their whole-hearted assistance in procuring for us the very best examples of their work. Such active support as yours is invaluable in maintaining the high standards of our Museum.

A cordial invitation is extended to you to visit the Museum. It will be a pleasure for us to have an opportunity to show you our accomplishments to date.

Very truly yours,
