Dear Miss Gilpin,

Thank you ever so much for sending me the lovely photographs, which I am so glad to have. It is awfully generous of you and I really have misgivings in accepting them. Did you ever send me a letter, because I never got one? But I got the letter which you wrote to the N. B. C. That was very kind off you and should certainly help.

I have been very busy with radio performances and playing in Columbus, Ohio, and with the Chicago and Boston Orchestras. Boston has re-engaged me to play the Emperor Concerto. I am working hard and teaching a little bit. There is a scheme afoot that I shall teach in Boston and New York during the months of April, May, and June, but it isn't quite definite yet.

I have good news from my wife. She writes that the two boys get on very well together. You know that Peter is teaching his younger brother?

Please give my best wishes to Mrs. Wardwell and all the other friends. Thanking you again, I am with kind regards,

Sincerely yours,

Egon Petri
