CITY OF NEW YORK

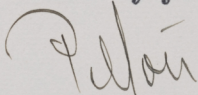

June 23, 1933.

My dear Miss Gilpin,

Miss Gish left very hurriedly the other day for a three weeks' 'cure' in Germany and has asked me to thank you for your letter which she hopes to answer personally before very long.

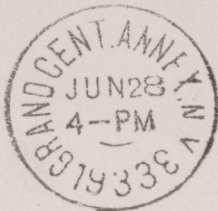

In the meantime she sends you her love and all good wishes for a most happy and successful summer.

Sincerely yours,

A handwritten signature in dark ink, appearing to read 'Lillian Gish', written in a cursive style.
