Darling Laurie:

This is merely a
postscript to my late letter,
to tell you Mr Hervey is
going to broadcast (something
about Good Speech, I think,) next
Friday (the 30th), over
WEAF. Just thought you
might like to hear the
voice of an old friend -
The time will be 2 o'clock
Daylight Saving here, but what
it'll be in Colo Springs I

leave you to figure out. Sometime
earlier, won't it?

The H's are taking me out
to Plainfield tomorrow for
our Sunday. I'll probably
get all poisoned again, but
it's worth it. The city is no
place to be in these lovely
days.

Did you happen — O no, it
wasn't in a Sunday paper, after all.
Dad got a Litt. D. degree from
Princeton this last week &
there was quite a nice picture
of him (in a group) in the Times.)
He & I are off to Maine on the
9th — Dear love — B.
