

Dear Anne.

Enclosed is a cheque  
on one half the Opera House photo-  
graph bill - I will send the rest  
when I get my next allowance,  
about September first - As this  
is one of the bills I do not  
ever want guaranteed, and  
yet which the guarantors might  
wonder about on account of  
its practical application, I  
like to make the photographs a

present to the association -  
I have not had time to  
glance at them hurriedly,  
but I know they are,  
as always, very lovely.

I hope you must mind this  
way of settling the accounts  
- the Central Festival match  
always is expensive for me,  
and I have to catch up!

With love and affection

Anne Evans
