Dear Laura

I am so glad for to know
that you stunning pictures of the
Smithson and of Sycamore are in
Washington - I want in to the friend
to see them. Pass week - and they are
brave. fully shown - and much
the best thing in their line -
and it gave me great pleasure to see

them, and a third of prior is son-
ney Ba!

Don't you think you had better
come to the exhibition? The Park
thing awaits you now - so do come
along some time soon -

D. Giffie has just heard home
to the range, and I fear that I have had
a thorough and very interesting course
in being one here as in a large & radius
as I could command - Age has its
compensation! Don't you think & your-
self from E. & "Kas" & me -
haz! -
