Dear Miss Gelpen, Thank
you for the Christmas
Greetings. Yesterday Mr. Alcock
and I went to the
Museum to see your
beautiful pictures of Yucatan

and the South west. They are truly beautiful and very well hung in Educational Hall. They are not crowded and are placed in several compartments and not more

than 15 in any one compartment.

The back ground is a neutral grey

and glass covers them. They are attracting much attention! Cyd's mother was there and had paid a several visits. I spoke to the members of the Muncie Camera Club last Wednesday and urged them to go and I spoke to Mr. Rugska of P.P.A. who is going. Presiding over the Sept. year was J. and Gracey & Huppel.
