OFFICE OF THE LIBRARIAN

May 24 1934

My dear Miss Gilpin:

Your note of the 19th reached me yesterday. I am directing a voucher to be sent to you for the 42 prints at \$500 for the collection and, together with the voucher, I am telling them to send you a polite acknowledgment of the "Ranchos de Taos Mission" which you are presenting to us.

I am expecting to enclose with this a list of the 42 prints to be covered by the voucher and am giving instructions that the balance of the collection - with the exception of the "Ranchos" - shall be returned to you immediately.

Very sincerely yours,

Librarian

You ask about the other exhibits. One adjacent to yours was of photographs of Southern Appalachian types (chiefly in the Tennessee mountains) by Mrs. Doris Ulmann.
