Gentlemen:

I should like to obtain a print of Mesa Verde National Park, Cliff Place looking east, for which you own the negative, and which is shown on the Park stamp recently issued by the Post Office Department. The photo I require should not be over 8 X 10 inches in size.

If you will be good enough to either send it, or indicate the amount to be charged therefor, I will remit the same by return mail.

Very truly yours,

*A. S. Arnold*
