April 29, 1935.

Mr. T.J. Maloney,
386 Fourth Ave.,
New York City.

Dear Mr. Maloney:-

Please pardon my delay in sending in my prints. I have been working on a large job of lantern slides, and once I am started on work of that kind, I seem to put off everything else.

With this mail I am sending you three prints for your selection.

1. Sand Dunes. Colorado. Glossy print.
2. The Star's Dressing Room matt and glossy prints.
3. Steps of the Castillo. Chichen Itza. Yucatan.

At the moment I have not got a big print of the last one, as it is away on exhibition. I presume, however, that what you want is reproduction prints anyway.

Trusting that these reach you promptly, I am

Very truly yours,
