Dear Madam:-

Under date of November 6th you advised me in reply to my inquiry that you could supply an 8 x 10 unmounted print of the "Mesa Verde National Park" for \$3.00. On December 13th I asked you if it would not be possible for you to supply me with something at a lower price, and so far have not received your reply to my letter.

If the silver print you refer to in your letter of November 6th is the only one you can supply, I shall have to purchase one from you, so please let me know if this is the case in order that I may send my check to you for the proper amount.

Very truly yours,

HSP*CC
