Dear Madam:

Relative to your letter of February 11th, I am enclosing herewith my check to your order for \$1.10 to cover cost and postage of one unmounted 8 x 10 black and white print on single weight paper and with a dull or matte finish. As you know, the print I am talking about is the one used by the Bureau of Engraving & Printing in connection with the 4¢ denomination of the National Parks stamp.

Very truly yours,
