Dear Miss Gilpin:

In accordance with your recent request, we are arranging immediately to ship to you your pictures, express prepaid, and trust they will reach you in good order.

As a matter of record, we wish to call your attention to our letter to you of March 24th, wherein we acknowledged the receipt of 81 photographs, as compared with 84 your index indicated you were sending. Photos No. 16, 17, and 18, Navaho, Size 14 x 18, on your list of February 7th, were not received by us. 81 photographs, therefore, are being returned to you.

The Director will no doubt formally acknowledge your loan and also answer the questions raised in your letter.

Very truly yours,
Museum of Science and Industry
