Attention: Miss Laura Gilpin

Dear Madam:

We have your letter of October 21 with your application for registration of what you designate a "seal" and state is to be used shortly on labels as well as letterheads. We must state that labels are registered not in the Copyright Office but in the Office of the Commissioner of Patents.

A print or pictorial illustration may be registered as such promptly after its publication with the statutory notice of copyright on all copies. This notice in the case of a print may consist of the symbol "C" within a circle accompanied by the initials, monogram, mark or symbol of the copyright proprietor, provided his name shall appear on some accessible portion of the copies.

As no present action may be taken in this Office, we return your \$1.00 money order herewith. We are able to enclose for your further information a circular of the Commissioner of Patents on the subject of prints and labels.

Enclosure:

Dear Madam:

We have your letter of October 21 with your application for registration of what you designate a "seal" and state is to be used chiefly on labels as well as letterheads. We must state that labels are registered not in the Copyright Office but in the Office of the Commissioner of Patents.

A print or pictorial illustration may be registered as such promptly after its publication with the statutory notice of copyright on all copies. This notice in the case of a print may consist of the symbol "©" within a circle accompanied by the initials, name, mark or symbol of the copyright proprietor, provided his name shall appear on some accessible portion of the copies.

As no present action may be taken in this Office, we return your \$1.00 money order herewith. We are able to enclose for your further information a circular of the Commissioner of Patents on the subject of prints and labels.
